## Panthers Volunteer Appreciation Program

### Effective 2018 Season

In an effort to reward our Panther volunteers, we will be instituting a new Volunteer Appreciation Program for the 2018 Panthers Season.

Each student account will earn points based on the number of games worked. This structure will be based on the number of games worked under a specific students name.

Work 1-5 games = 15 points (\$30)  
Work 6-10 games = 17.5 points (\$35)  
Work 11 + games = 20 points (\$40)
